

Classic Arts Programs: Community Chorale, JVE – 2023-24 Season Schedule

The **Community Chorale** is a choral ensemble of men and women from our community who share a love for music through singing in harmony. Our ensemble brings quality choral music to Warsaw/Winona Lake and the surrounding communities of Kosciusko County. Goals of this ensemble include:

- To study, sing, and perform quality choral pieces and works.

- To increase the understanding of music's unique expressive and non-verbal communicative aspects.
- To engage in the artistic culture at high levels of complexity and competence.
- To offer a place of belonging and community for singers who enjoy singing with others.

Weekly rehearsals: Thursday
